Hospitals & Labs List — Other POWERGRID Regions

(Empanelled hospitals and Dr. Lal PathLabs collection centres for regions other than SR2)

This document lists **362 empanelled hospitals** across the 11 POWERGRID regions other than SR2, and **162 Dr. Lal PathLabs collection centres** across the states/UTs they operate in. SR2's own hospitals and labs continue to be listed separately under the Hospitals & Labs tab of this website.

Hospitals sheet is grouped by Region, then sorted by City/Town and Hospital Name. The City/Town column was not present in the original source file; it has been derived from each hospital's address and verified/corrected by hand. One entry's source address is incomplete (no detail beyond the hospital name) and is highlighted below — please treat that entry as pending confirmation.

Labs sheet is grouped by State, then sorted by Location. State and Location were both present in the original source file.
